Dear Mr. Horton:

Thank you for submitting a copy of the Village of Sullivan building ordinance for review.

The ordinance is acceptable to the department as specified in section ILHR 20.06 of the Uniform Dwelling Code. Please commence enforcement of the dwelling code by using a state certified inspector and issuing the UDC permit seals. I have enclosed a copy of the material order form for use in obtaining future permit materials.

If you or your building inspector have any questions on the code or its administration, please give me a call.

Sincerely,
